PEOPLE + DOGS + CATS

ISSUE 3 | Winter 2014

**Humane Society**  
FOR SOUTHWEST WASHINGTON

*It was a lot of fun* to walk through my neighborhood during and after our recent snowstorms, watching families, young and old, building snowmen and sledding down streets and hills. Much laughing, happy shouting and a whole lot of love. Plus, I didn't see any cell phones or iPads or tablets. (Although I have a hunch they were zipped up somewhere

in those parkas safe and warm.) It was a holiday of sorts from our busy lives and a chance to spend time reconnecting with friends and family. I observed many dogs running and jumping and playing too....not so many cats.

February is a month for celebrating love.... it got me thinking about our dedicated staff and volunteers. Though we were closed, our Snow Team "weathered" this storm and came into the Adoption Center/Shelter to care for and feed all of our animals, as well as make sure our shelter dogs got their time in the snow, too. Every dog was walked every day. I am thankful for their commitment, passion and love for all of our animals. That's a love we can all celebrate.

*Must say, I'm looking forward to spring!*

President/Executive Director

## What's Next For Your Humane Society?

### 2014 Focus

It has been a crazy, amazing year filled with so many changes, challenges, celebrations and milestones. We could never have accomplished so much in so little time without inspired leadership from our board; courageous commitment from our staff – who willingly and regularly jumped into the deep-end with blindfolds on; the incredible generosity from our donors and funders; and the passionate gift of more than 33,000 hours given by our volunteers in 2013. Not to mention the thousands of adopters, friends and supporters who have encouraged us over and over again, taking our animals into their families and cheering us on. HSSW and our thousands of animals are blessed many times over.

### What Happened in 2013?

- For the first time in three years, we have a positive balance sheet!

## Retails Thrift Stores

### ReTails is a changing...

ReTails is on the move, literally. As of February 1, ReTails II (located on 28th Street) has closed. The new ReTails II will reopen in March 10, 2014 at 5000 East Fourth Plain Boulevard, across from Golden Skate. The new store will have a distinct personality in the form of shabby chic. Items selected for this store will include clothing, household goods, books, jewelry and a few additional items.
