

MCAS is part of the recently created Animal Shelter Alliance of Portland (ASAP). ASAP is a coalition of public and private animal shelters, and the veterinary medical community, in the greater Portland area dedicated to the shared mission to end the euthanasia of social, healthy or treatable dogs and cats in our local shelters by collaborating on spay/neuter programs, educational and outreach efforts, and the promotion of humane alternative for feral cats. ASAP has adopted the language of the Asilomar Accords to standardize the collection and reporting of shelter data. The Asilomar Accords were adopted in 2004 by animal welfare leaders from across the country. The Accords call for all organizations that shelter animals to use the same statistical record keeping.
