FOR SOUTHWEST WASHINGTON

ISSUE 4 | Winter 2015

During the first few weeks of the new year, we scurry around to make sure that we have thanked the thousands of people who shared their time, talents and treasure with us over the past 12 months. It is actually a bit joyful and a lot humbling to read the lists of volunteers and donors that you will find on the following pages....there are so many generous individuals and groups who support HSSW....and many other nonprofits in our community. Thousands of dollars and thousands of hours of volunteer time ensure that thousands of people + cats + dogs find each other and complete families. Bringing more joy and love in the coming days and years.

From the blind women who knit cat blankets to our pest service that donated one year's services; from the volunteer who brings homemade chili once a week for the staff and another who picks up and sells scrap metal from throughout the area regularly donating the proceeds. From the volunteers who got together all the money we needed to remodel one of our laundry rooms, to the pet food distributors and local retailers who donate much of our animal food. From the grieving families who have lost their pets and bring us their medicines and carriers, pet beds and left over food, to the wonderful seniors living on fixed incomes who

send us \$1 every time they receive our mailings. From the professionals who donate their legal and financial counsel, to the teens who volunteer their time and kids who ask their friends to bring food and toys for the animals instead of presents to their birthday parties; from the inmates at Larch Mountain who foster our cats, to the volunteer who recently launched a foster program for kitten preemies... We are thankful. We are blessed. Every day of the week, we are amazed at the generosity and creativity of the people in our community.

From the bottom of our hearts, we are grateful for all of the love that comes our way. Now, just turn the page and find out for yourself.

Partnerships turn trash to treasures

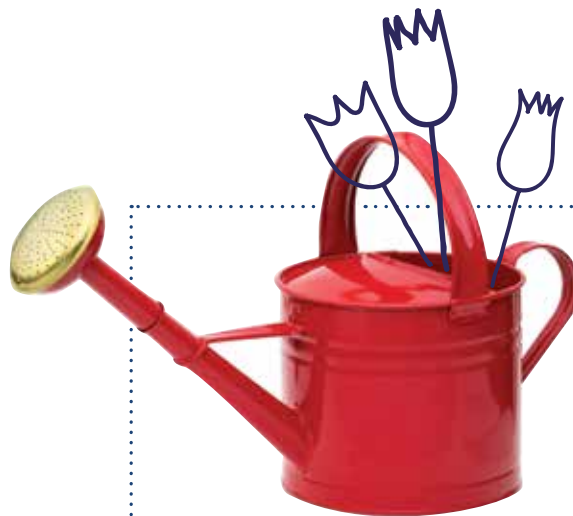

A new, exciting endeavor is underway that will benefit HSSW and remove reusable, sellable items from the waste stream. Waste Connections of Washington, Inc., Columbia Resource Company and ReTails Thrift Store are partnering to collect usable items before they become trash. Five days a week at the transfer station on 117th Avenue, an employee of Waste Connections identifies usable

items and works with customers to remove these items before they head to the landfill. These items are picked up by ReTails, sorted, tagged and sold in a key way that help inform and determine results.

Customers receive a flier at the scale of the transfer station describing the partnership, what items are suited for resale, information about ReTails as well as a coupon to encourage shopping at the store. Customers of the transfer station are encouraged to consider donation at the store before discarding items into the waste stream.

As we scan the numerous pages of donors, it's almost overwhelming. So many people are involved in so many ways with our organization, whether it be as a donor of money, time or needed shelter items. From the smallest to the largest gift, we are grateful.

Get involved

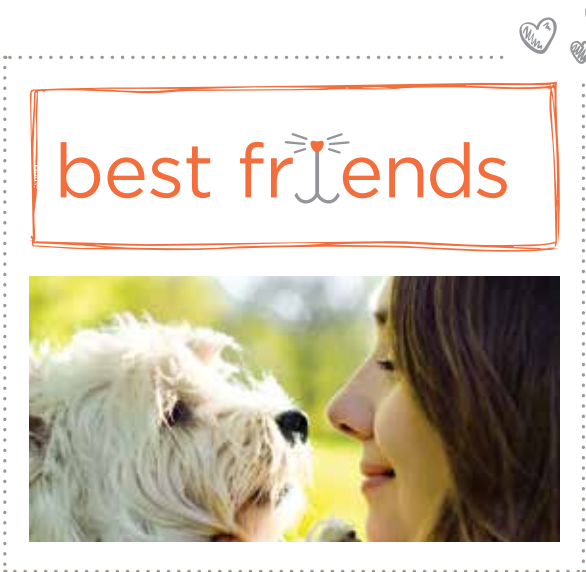

Volunteer with HSSW & ReTails Thrift Store. With more than 540 active volunteers, we thrive with your help. To find out more about the wide variety of ways to get involved, including ReTails Thrift Store, attend one of our drop-in volunteer orientations at the adoption-center shelter. From walking dogs to stocking shelves with gently used items, we'd love to have you join our team.

Walk/Run for the Animals is back

It's time for the biggest celebration of animals in downtown Vancouver! This is the year to grab your friends and family and form a team. Take advantage of new team challenges and exclusive amenities. Plus, children under 12 can register for free. The whole family can choose from two dog-friendly routes: a 3-mile walk along the Columbia River or timed 5k run through Fort Vancouver.

Get \$5 off if you register by March 1 with discount code 'earlybird' southwesthumane.org/walk-run

Friends first, family forever

3,782 animals were adopted in 2014! We are so happy these dogs and cats have found their perfect match and gone home, allowing us to care for even more animals. We love our adopters.
