

DISCOVER CAMP - SCHOLARSHIP APPLICATION

Thank you for your interest in summer camp at the Humane Society! We provide a limited number of partial scholarships. The program is offered to provide a camp experience for a child who would otherwise not be able to attend.

Scholarship funds are limited and may be made available to children in homes with financial barriers to participation. Families must be recipients of financial support programs including, but not limited to: WIC, food stamps, Section 8, free or reduced-price school lunch, Medicaid, etc. Approved families will receive a 50% reduction in camp fees. Scholarships for multiple children in one family also may be considered. Please complete one application for each child applying.

Applications are due by: March 4, 2019.

All sections of the application must be completed in order to be considered for a scholarship. Please contact us at education@southwesthumane.org if you have any questions.

ALL APPLICANTS MUST SUBMIT WITH THIS FORM:

1. A brief reference letter from your child’s teacher stating how your child would benefit from this camp opportunity. This letter can be from a present or former classroom teacher, or other educator such as a coach or extracurricular instructor.
2. A statement from your child, in their own words, sharing why they would like to attend camp and what animals mean to them. This should be no longer than one page.
